Claims for Lincoln county must be filed between July 9, 2019 and August 7, 2019, at DWS offices from 8:00 a.m. to 4:30 p.m., Monday through Friday. Claims for Arkansas, Desha, Logan, and Pope counties announced on June 18, 2019 must be filed between June 19, 2019 and July 18, 2019. Claims for Conway, Crawford, Faulkner, Jefferson, Perry, Pulaski, Sebastian, and Yell counties announced on June 12, 2019 must be filed by July 12, 2019. DWS offices also will provide re-employment assistance where appropriate. Claims filed after the deadline will be considered untimely and benefits denied, unless the individual provides good cause for filing after that date.

To be eligible for benefits, individuals must have worked or have been scheduled to work in the disaster area, but because of the disaster, they no longer have a job, a place to work in the area or could not get to their place of work because of disaster damage. They also may qualify if they have been prevented from working because of an injury or illness resulting from the disaster or if they have become the head of household and need employment because the head of the household died as a result of the disaster. This benefit also may be available to self-employed individuals who have lost all or part of their livelihood as a result of the disaster.

Each claim is considered individually; therefore, individuals who believe they may be eligible should bring a copy of their government issued photo identification, Social Security card, the name and address of their last place of employment, and documents verifying income, such as income tax statements, recent pay stubs, W-2 forms or other proof of net income for 2018.

DWS officials understand that because of property losses some claimants may not have the necessary 2018 income information. Although some delays may result without this information, DWS staff will make every effort to work with DUA claimants to confirm their income information and expedite the claims-taking procedure.
