What

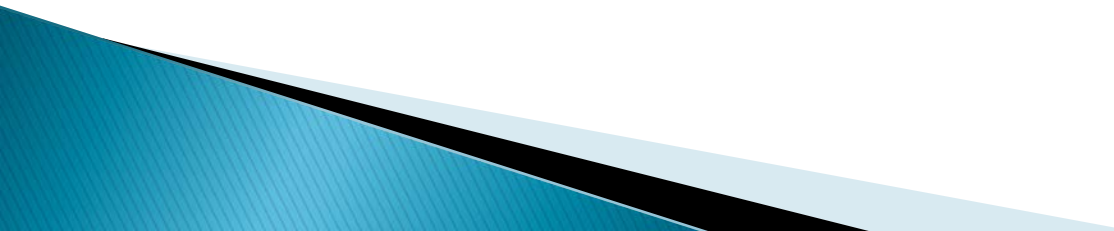

Case Management

WIA § 3(5)

The term “case management” means the provision of a client-centered approach in the delivery of services, designed—

- A. to prepare and coordinate comprehensive employment plans, such as service strategies, for participants to ensure access to necessary workforce investment activities and supportive services, using, where feasible, computer-based technologies; and
- B. to provide job and career counseling during program participation and after job placement.

Career Services

- ▶ Help people get from where they are to where they realistically can be to make a better life for themselves and their families
 - ▶ Give people the tools they need to help them succeed
 - ▶ Empower people to take control of their lives
 - ▶ Give someone a hand up, and not just a hand out
