For Youth Programs

If you are age 14 - 24 and need help in learning skills that will help you obtain an appropriate education and employment, we may be able to help you. If you qualify, we offer assistance in getting a high school diploma (or equivalent) and in obtaining workplace and classroom training that leads to employment. If you are interested in such training, we invite you to complete the attached information and return it to:

You may also call for an appointment at:

If you are 18 years old or older, you may also qualify for the Adult program. A case manager will help you determine which program (or both) best fits your educational and employment needs.

You will be asked to document certain information you provide on the application. We can help you obtain such information, if needed, but your application will be processed more quickly if you could bring the information with you. We suggest you bring the following documentation if applicable (alternate documentation can be arranged, if needed):

- Drivers' license, passport, school ID, or other government-issued ID that has your picture
- Signed Social Security card
- U. S. birth certificate, if you have one (If you don't, there is other documentation we can use.)
- If you are not a U. S. Citizen, a permanent resident card or other card stating authority to work in the United States
- If you are a veteran, your DD-214
- If you are a disabled veteran, widow or widower of a veteran or an "eligible spouse," bring VA documentation of your status if you have it
- Selective Service registration card or letter, if applicable (We can obtain the information online, if needed.)
- Bring documentation of a disability, if you have one and there is documentation
- If you are low-income, you may bring documentation, or we will help you obtain it. Low-income includes receiving cash public assistance (SNAP, TEA, Work Pays, or SSI), being homeless, qualifying for free or reduced lunches, or having a child who qualifies for free or reduced-price lunches. You may also qualify if you live in an area that has high poverty. If you do not meet any of these criteria, you may need documentation of the number of people in your household and the income of all individuals in the home. If you're not sure what to bring, we can help you after we talk with you.
